Help Is Needed For Success of Texas Cauble Family Association

About the family association: The Texas Cauble Family Association has existed for six years through the hard work and financial support of volunteers who love their family and who want to preserve the names and memories of ancestors. Methods used for preserving the family's record have been support for the restoration of the Historic Peter Cauble House in Tyler County, annual reunions, the family registry, a photographic collection, and an exchange of genealogical data in the newsletter. Until this time most of our work has been as individuals—not as a family group.

The reason is simple. Individuals have money. Texas Cauble Family Association has no money. Descendants now want to see the family organization create a fund to support a number of worthy projects—such as the maintenance of cemeteries where our ancestors are buried and help with the cost of a new roof for the Historic Peter Cauble House.

If you have a good idea for raising funds for our projects, contact our president, Roy Hughes. You may also help with the fund-raiser planned for Saturday, 31 July 1993, at our reunion. Bring something interesting for the crafts sale and buy the wonderful wares your cousins offer.

If you have no talent or time for crafts, think of other ways to help. One descendant saved quarters over the year—\$12 worth. Have a garage sale and give part of the profit to the Cauble Fund. Make a scrapbook of time-honored family recipes. If all else fails, one could donate cash.

10:00 a.m. Worship service. Those who attended this service last year will never forget it. Kiefer and Don Cauble E1.126, in charge.

After service: Lunch \$3.00. Adjournment.

The Texas Caubles are grateful to our chairmen, Kiefer and Aubry Nell Cauble, who have worked devotedly to make the 1993 reunion successful. Kiefer wrote, "This is a first for the Cauble reunion in Roby, and I am sure that there will be some rough spots. But, let a beautiful time of visitation and making new friends far override any failure of the hosts." We will!

Prayers and Thanksgivings

For all who are ill, especially Ross Callihan ME.13.3, E. G. Cauble E1.13.1, J. C. Cauble H242, Melba Cauble Neel E149, Willard Neel ME 149, W. O. Montgomery E1.14.2, Woodrow W. Biggs E195, and Berniece Cauble Irby H29.

Necrology

Ruth McCollum Noland Biggs ME195 (2 July 1919-15 June 1993) is remembered by the Cauble family as the patient, kind, hard-working hostess of the 1988 and 1989 Cauble reunions at the Biggs ranch near Crawford, Texas. She married Woodrow W. Biggs and had a daughter, Charlotte Biggs Wiethorn. She was the grandmother of Ruthi Wiethorn Worsham, Ronda Wiethorn Pruett, and Randy Wiethorn. We miss her.

Ron Nance G5822 (1945-1993) was the only descendant of Martha Cauble Green that we knew.

Guy Hooker Morris III, a James Burch descendant died 12 February 1993.

Remember This

Prairie Grove Cemetery needs contributions to pay for mowing this summer.
