Texas Cauble Reunion Scheduled 19-21 July 1991 At Peach Tree Village, Tyler County

Reunion Time is Here!

Reserve the dates 19 - 21 July for the Cauble reunion. Although the reunion is only one month away, you still have time to send your registration and to meet us in Tyler County, Texas, at Peach Tree Village. Camp TA-KU-LA, a Christian retreat center located two miles north of Chester, Texas, on Farm Road 2097 and .5 mile south of the Historic Peter Cauble House and the Cauble-Burch Cemetery, is the site selected by the planning committee.

The price for lodging and food is modest—\$6 per meal and \$6 per night for each person. The dorms are segregated by gender—all males in one building, all females in another. Attendees must bring their own bedding and linen. Sleeping bags will work well.

If you feel that you are not up to camp life, The Woodville Inn is located in Woodville only fifteen miles away. The camp has hook-ups for two RVs and may have two more by summer. An additional number of RVs which need only electricity can be accommodated.

A swimming pool is available. Parents must supervise children since a certified lifeguard costs \$100. The camp has a video game room and volleyball and baseball facilities. Tournaments are planned. The children will enjoy this reunion!

Bring your favorite dessert and its recipe. Remember also to bring your photographs—old or new. Jane Levý, our scrapbook chairman, has called for pictures of all Cauble descendants. Bring yours.

On Saturday, the Peter Cauble House and grounds will be open to the Cauble family. Descendants of Peter Cauble and of Valentine Burch plan to place special markers at the graves in the Cauble-Burch Cemetery. Descendants may bring flags and flowers for the ceremony.

Pre-Register By Calling or Writing Marguerite Now

Registration fee is \$5 per family. Pre-registration will be appreciated so your name tag can be made ahead of time. We need to give the camp a number soon.

Please bring your genealogy notes to the reunion for exchange with other researchers. We also need vital statistics on your immediate family members. Cauble Family Registry now reaches forty pages in length, but only one-fourth of us has submitted family information. Please let us list your branch of the Cauble family in our registry.
